

# Growing your business with Easy Paper

Target the right audience

# About us

Easy Paper is a student run start-up program with an aim to provide previous years question papers of Panjab University. It is an easily accessible online platform where students can access any and every question paper from their selected stream. Students can easily download or view papers from this website for free. We are maintaining databases for each college of Punjab University. And we also aim to making databases of every schools and universities in India. Being an environmental friendly programme, it also neglects the use of papers to reach our objective.

# Why Choose us?

- ✓ We provide previous year's question papers.
- ✓ Provision of internships to interested and capable students.
- ✓ An endeavor to make it the biggest online education quantum.
- ✓ We work to provide support to students to encapsulate their ideas and work towards a brighter future.

# Features of Our Web Portal

This website is user-friendly, easily accessible and easy to use. It enhances the flexibility of connectivity between the audience and the organisation. Website is responsive and optimized for every known web browser. The web portal will act the best user interface between your business and the audience.

# With us, you can reach

We are a proactive cluster and we want to see all local businesses succeed. There are around 190 colleges affiliated to Punjab University with around half a million students studying there. And hence, it is the right place with right audience to achieve our goal. We provide cost-effective promotional opportunities which aligns with your business goals and ambitions. These opportunities targets the right audience whether it's a teacher or young students.
